

# Pond-Tini™

PONTOON BOATS

# 10 Series

Since 2017, Ag Dryer Services, located in Elm Creek, NE, has been manufacturing Pond-Tini Pontoon Boats. Our boats are built to order and fully customizable.

Extremely stable, featuring a shallow draft and high weight capacity, Pond-Tini Pontoon Boats are the perfect boats for small or restricted lakes, protected waterways, ponds, sand pits, and lagoons.

## STANDARD FEATURES

- 6'x10' BULLET BED LINER LINED ALUMINUM DECK
- 4 MOORING CLEATS
- TROLLING MOTOR TRANSOM
- 24" FRONT HANDRAILS

## AVAILABLE OPTIONS

- RAILING GATES
- CLADDED HANGRAILS
- PEDESTAL SEATING
- BIMINI TOP
- NAVIGATION LIGHTS
- LIVEWELL
- POLE HOLDERS
- CENTER TABLE
- CUP HOLDERS
- SWIM LADDER
- STORAGE COVER

The 10 Series is the smallest model in the Pond-Tini fleet. It is most often equipped with an electric trolling motor but is rated for up to 10HP and 4 persons.

It's perfect for your backyard pond or residential lake. It's easy to maneuver size and 6-8" draft allow it to get back into the shallows.
