

Pond-Tini™

PONTOON BOATS

12 Series

Since 2017, Ag Dryer Services, located in Elm Creek, NE, has been manufacturing Pond-Tini Pontoon Boats. Our boats are built to order and fully customizable.

Extremely stable, featuring a low draft and high weight capacity, Pond-Tini Pontoon Boats are the perfect boats for small or restricted lakes, protected waterways, ponds, sand pits, and lagoons.

STANDARD FEATURES

- 6'x12' BULLET BED LINER LINED ALUMINUM DECK
- 4 MOORING CLEATS
- REAR TRANSOM
- 24" FRONT HANDRAILS
- 30" REAR HANDRAILS

AVAILABLE OPTIONS

- STEERING CONSOLE
- RAILING GATES
- CLADDED HANDRAILS
- BENCH + PEDESTAL SEATING
- BIMINI TOP
- NAVIGATION LIGHTS
- LIVEWELL
- POLE HOLDERS
- CENTER TABLE
- CUP HOLDERS
- SWIM LADDER
- STORAGE COVER

The 12 Series is the mid-size model in the Pond-Tini fleet. It maintains a 4 person capacity. It's rated for up to 20HP, but still small enough for electric only propulsion.

It's perfect for your backyard pond or residential lake. It's easy to maneuver size and 8-10" draft still allow it to get back into the shallows.
