

Pond-Tini™

PONTOON BOATS

14 Series

Since 2017, Ag Dryer Services, located in Elm Creek, NE, has been manufacturing Pond-Tini Pontoon Boats. Our boats are built to order and fully customizable.

Extremely stable, featuring a low draft and high weight capacity, Pond-Tini Pontoon Boats are the perfect boats for small or restricted lakes, protected waterways, ponds, sand pits, and lagoons.

STANDARD FEATURES

- 7'x14' BULLET BED LINER LINED ALUMINUM DECK
- 4 MOORING CLEATS
- REAR TRANSOM
- 24" FRONT HANDRAILS
- 30" REAR HANDRAILS

AVAILABLE OPTIONS

- STEERING CONSOLE
- RAILING GATES
- CLADDED HANDRAILS
- BENCH + PEDESTAL SEATING
- BIMINI TOP
- NAVIGATION LIGHTS
- LIVEWELL
- POLE HOLDERS
- CENTER TABLE
- CUP HOLDERS
- SWIM LADDER
- STORAGE COVER

The 14 Series is the largest model in the Pond-Tini fleet with an 8 person capacity. It's rated for up to 40HP, yet still light enough for electric only motors.

The 14 Series is perfect for most lakes and bays, as well as residential lakes. Despite the 14 Series being our biggest model, it's still light enough for electric only motors.
